2021, the undersigned issued a ruling finding petitioner entitled to compensation. Ruling on Entitlement dated Jan. 5, 2021 (ECF No. 136).

On April 16, 2021, respondent filed a Proffer on Award of Compensation, attached hereto as Appendix A. Respondent's Proffer on Award of Compensation ("Proffer") dated Apr. 16, 2021 (ECF No. 144). In the Proffer, respondent represented that petitioner agrees with the proffered award. Proffer at 1. Based on the record as a whole, the undersigned finds that petitioner is entitled to an award as stated in the Proffer.

Pursuant to the terms stated in the attached Proffer, the undersigned awards:

A lump sum payment of \$151,959.91 in the form of a check made payable to petitioner, Shanna Salazar, an award comprised of \$125,000.00, for pain and suffering, and \$26,959.91 for past lost wages.

Proffer at 1. This amount represents compensation for all damages that would be available under 42 U.S.C. § 300aa-15(a). Id.

The undersigned approves the requested amount for petitioner's compensation. Accordingly, an award should be made consistent with the Proffer.
